NEW YORK STATE HEART OF THE COMMUNITY SERVICE PROJECT

I am very excited about the Lake Placid convention and this wonderful program geared for children in that area. It was very easy to decide that this Center would be a great organization for us to focus on for the Heart of Community event. The Shipman Youth Center is a not-for-profit community organization providing support to children and youth ages 10-18. The center was inspired by Thomas Shipman, a designated Lake Placid youth police officer who died unexpectedly in 1995 and built with community donations of money, materials and labor. For many years SYC has provided services to hundreds of children. Programs include home work time and assistance, community services, recreational services, weekly family style dinners, dances, and guest speakers. SYC provides a supervised safe and exciting environment where local children can grow and develop as individuals.

We are asking that each Chapter make a monetary donation or have a fund raiser before the Lake Placid Convention to go towards this wonderful program. If the Chapter is unable to do so perhaps individual members would be interested in donating on their own to enriching the lives of children in the Lake Placid area. Enhancing the lives of others is what the Women of the Moose are very good at and I am sure that each Chapter, if possible, will be able to contribute. Please make checks payable to the Shipman Youth Center. I will be at the registration area on Friday evening and Saturday morning to receive your donations. If you are unable to make the convention by Saturday morning before the meeting begins, I ask that you send the donations to me directly to Chris Gates 680 State Street, Binghamton, NY 13901. If you have any questions please feel free to e-mail me at Chapter411@mooseunits.org. I am in the process of setting up a time for those who wish to go visit the Center on Saturday and be there for the presentation. I will have this set up prior to the Convention. An account of all donations whether by Chapter or private, will be available Saturday afternoon/evening. Women of the Moose in New York State are AWESOME and this is our time to shine. Please share this with your individual members also and I look forward to seeing you in Lake Placid.

Christine Gates,
NYS Community Service Chairmen

President's Message

Hello,

Not a lot to report, but we have had a great time visiting with everyone getting to know you and your Lodge and seeing what works for you in your area of the state ,if you have a idea that works for your Lodge please e-mail or give me a call and I will spread your ideas around, what works for you might not work for others but you never know. My wife and I along with Fritz and Beth Griswold had the pleasure of being guest of honor for Palmyra Lodge 100 birthday party the food was great & very well attended by Lodge & Moose rider members. Hopefully the weather will allow us to get the bike out early so we can ride, we will continue to travel around to District meetings and Lodges.

The Mid-year is approaching fast hopefully I will see you in Lake Placid there is a lot going on at the Mid-year , karaoke contest is Friday nite the 22nd a schedule is on the web site so make sure you check to see what time the meetings start, please be there for Lodge rollcall this is a requirement for Lodge Governors and Administrators wouldn't it be great if we have 100 % of the Lodges have a representative at the conference.

Let us all pray for the people that are fighting to keep us safe everywhere, here and abroad, keep them healthy let them be able to come back to their loved ones **SOON**, keep our police officers safe and healthy.

Please remember to greet members as they enter your Lodge let them know they are welcome. **Treat them as you want to be treated !! A little respect goes a long way !!**

Fraternally,

Paul

Message from the Deputy Grand Regent

Hello Co-Workers !

Spring has finally arrived. It seems so good to have warmer days, lots of sunshine and seeing flowers popping up. This is a busy season for everyone at home with Spring house cleaning, yard work and garden work. There's never enough hours in the day.

Spring is also a busy time for the Chapters. New Officers have been elected and will be installed by the end of April. The current officers are busy making sure that all reports have been submitted to Women of the Moose, all bills have been paid and co-workers on the Arrears List have been contacted. Hopefully the Chapters have fulfilled all the requirements to earn the Award of Achievement.

Plans for the Mid-Year Conference in Lake Placid are progressing well. Chapters have been sent the Agenda and Registration forms and they are also posted on the New York State Moose Association website at nysma99.com. The State Chairmen are preparing their reports for the Opening Session. Chris Brooks, Membership Chairman, has once again organized a Membership Committee Fundraiser. Chapters have been sent tickets to sell. The profits from this fundraiser are used to reward the top sponsors of New York State.

The New York State Women of the Moose will be participating in a Heart of the Community Event during the Mid-Year Conference. Chris Gates, Community Service Chairman, has accepted the challenge to find a worthy charity in the Lake Placid area. She has chosen the Shipman Youth Center in Lake Placid which is a not-for-profit community organization providing support to youth between the ages of 10 and 18. An e-mail was sent to each Chapter explaining this Heart of the Community Event and requesting a donation from each Chapter. It is our hope that this will be a successful fundraiser.

I'd like to thank all of the State Chairmen for their hard work and dedication.

I look forward to seeing you in Lake Placid. Hopefully the weather will cooperate so that we can all appreciate the area. Hope you all have safe travels.

GOD BLESS MOOSEHEART AND MOOSEHAVEN

Fraternally,

Pat Parks

Deputy Grand Regent

One Week Focus — Year-Long Commitment

Hello Co-workers,

Spring at last, and along with saying good bye to Old Man Winter we now welcome the budding new signs of spring as we embark upon putting our chapters in order to end one year and focus on starting another. And like any new calendar year we need to make those resolutions which we need to work hard to strive to obtain, however before we can move forward we need to take a look back and make sure that we have done all that we have been able to, to make this year successful, sponsored new members, retained our established co-workers and had fun along the way. Co-workers it's always a plus and fun to earn points and prizes for sponsoring and retaining our membership but what's even more rewarding is the friendships that we develop along the way and by each of us working together to support our child city Mooseheart and our Seniors at Moosehaven, as there is no better gift than the gift of giving to others.

Remember Co-workers **THINK** before you speak

T= Is it True?

H- Is it Helpful?

I – Is it Inspiring?

N – Is it Necessary?

K – Is it Kind?

Looking forward to seeing you at Midyear in Lake Placid for an exciting weekend.

MOOSE CHARITIES UPDATE

In the last two years Moose Shoppers have earned more than \$8,000 for Mooseheart Child City and School by using **SHOPAROO**. So far this year (since August 1, 2015) we have earned over \$4,000. If you are already participating in Shoparoo, we thank you. If you are not, please start. It doesn't cost the user anything and there is no paperwork to submit. All you do is take a picture of your shopping receipts using an Apple or Android phone. It's easy to sign up at <http://www.shoparoo.com/>. You may need to disable your GPS on your phone to select "Mooseheart Child City and School". If you need help, please see a co-worker who is already collecting receipts or see us at the Mid-Year Conference in Lake Placid.

The Moosehaven Board of Directors and the Supreme Council have approved the \$10,000,000 Capital Campaign "Moosehaven Centennial Project". The first of two primary goals for this project is to improve the quality of life for congregate residents by providing a modern flexible facility. This new building will provide larger apartments with private bathrooms. The second goal is to reduce operating expenses.

All Moose members did an outstanding job for the Mooseheart School Renovation Project and now you will be asked to do the same for Moosehaven. We need to keep the momentum going!
