President's Message

I would like to thank everyone for the support you gave me over the past few years, and look forward to a great year ahead as your state president. We all need to get on the same page and establish goals for the year and work together to get them accomplished. I've seen enough of the declining membership, sporting events, conference and convention attendance, lodge and chapter programs, enrollment ceremonies, orientation open houses, etc. We all need to look ahead and see what we can do to help get New York back up a running like it was thirty plus years ago. If you want to be number one, then we ALL need to take a step forward and get it done.

Now it's time to roll up our sleeves and complete the Moose Year on a positive note. Our District Presidents have promised us they will put their best foot forward to have better communications with the lodges and chapters they represent. We all need to look ahead and start asking people we come in contact with each day to join our great organization. Too often we sit back and wait for someone else to do this or that. Please, I ask each of you to take the initiative to ask at least one person to join us between now and April 30th, 2018. JUST ONE! Show them around your Moose home, tell them all the great things we do for all ages, the activities we host, the community service events we do, the friendship we have when you introduce them to others, and so forth. Remember to mention the reason we all join the Moose is to support Mooseheart and Moosehaven. Why do we continue to be the "Best Kept Secret in Town"? Let's all get out there and show our colors.

Remember the Sports Bids meeting will be held on Saturday, November 4th at Genesee Valley-Henrietta Family Center. Let's see if we can get more participation on sporting events. We need lodges to bid on these. This is a great asset to any lodge to host a tournament. Much money is to be made with dinners, Bell Jar ticket sales, your social quarters, 50/50's etc. Now what lodge can turn its back on this kind of income. Check out the NYSMA website for more details on bidding, etc.

I'll be looking forward to visiting lodges across NY during my term of office. If you ask me, I'll try my best to attend any special event you might have. Let's all work together and have a great year.

Fraternally Yours

Bob Laux

Message from the Deputy Grand Regent

Hello co-worker and friends

I hope everyone made it home safe and sound from our Annual Convention. I very special thank you to our now Past Deputy Grand Regent Christine Brooks and our Official Visitor DeAnna Gramling for the very beautiful weekend in Alexandria Bay. How nice it is to visit friends old and new. I'm so sorry for those that missed the Convention, looking forward to seeing you at the next one.

Those of you that went on the 5 club cruise enjoyed a beautiful night on the St Lawrence River. The weather was perfect, what an evening.

I am so excited and Honored to be able to serve as your Deputy Grand Regent of New York, the state with the biggest heart. If I can assist anyone, please feel free to contact me at E-Mail (bonjodi1210@optimum.net) or my cell 631-433-3079. I look forward from hearing from you.

We need to keep membership going so invite some new friends to come join us at our Moose homes. Membership is the key to success.

Congratulations to all the green cap recipients, way to go, the ceremony was wonderful. Thank you to Debbie Kelsey and all who participated, also, a special thank you to our hostess, Horsehead Chapter for doing a fabulous job.

God bless our Service men and Woman who help keep us and our families protected every day, thank you and be honored on Veterans Day

As Fall approaches, and school is now open, it time to start thinking about the holidays, so I would like to wish you all a Happy Thanksgiving. God bless each and every one of you. Talk to you again in December...

Deputy Supreme Governors' Page

Hello Brothers,

It has been a busy summer since returning home from Tampa and getting settled in after being installed as one of the new Deputy Supreme Governor's for NYS. I have had the opportunity to visit several lodges and attend the Annual Conference in Alexandria Bay. I also have had the pleasure of meeting and assisting a fellow Moose Brother to apply for residency at Moosehaven.

This summer also brought sadness as we said our good-byes to brothers John Calfo, Past State President and my personal friend Ray Turner, Honorary State President. May they both rest in peace and enjoy that Moose Lodge in the sky.

New York is being honored with a visit from our new Supreme Governor Willard Kitchens who will be arriving on December 7th and staying through the 10th lodge visits and itinerary is not complete at this time but all lodges will be notified as soon as it becomes available.

I am looking forward to visiting many more of our lodges within the state and getting better acquainted and my personal goal is for your lodge to be successful and known as the friendliest place in town.

Fraternally,

Jack

Hello Co-workers,

I would like to take this opportunity to say **Thank You** to all of you who have already sponsored a new co-worker into your chapter helping to start this year off on the right foot. This is the most perfect time of year to plan fun fraternal activities to keep your co-workers interested and involved in chapter activities.

The success of our chapters would not be possible without each of you investing of your time, talents and financial resources to help us achieve our mission of caring for our children and seniors at Mooseheart and Moosehaven.

Remember to carry out our theme and honor our hometown hero's by inviting them to join us in our mission to become a member of our wonderful fraternal order of men and women of the Moose. What a special way to **Thank** them for all that they do to keep us safe from harm and to let our neighbors and communities know that we have their backs too by working together to build and sustain strong communities for all to live in. Remembering always:

VIRTUAL FUNDRAISING: IT'S ALL ABOUT THE KIDS

Right now, Moose Charities is busy preparing for the **2nd Annual Holiday Lights 5k**.

The Holiday Lights 5k is a run/walk through the beautiful light displays on Mooseheart's campus. Runners and organizations from near and far jump at the opportunity to get to see the one-of-a-kind displays up close, while also raising money for the Child City!

It was not surprising to Moose Charities when loyal members of the Moose Fraternity asked: "How can we be involved?" The answer is: "Create a virtual team!" When you register a virtual team, you are able to raise funds for Mooseheart by asking friends and family to support your you! There's even recognition for the TOP TEAM and the TOP INDIVIDUAL.

[Get your Virtual Fundraising Guide to get started today!](#)

What's A Virtual Team?

- A Virtual Team is a group of people who work together to reach a fundraising goal to support Mooseheart Child City & School!
- You create a virtual team because you want to support Mooseheart Child City & School in a fun way, but you cannot travel to Mooseheart the day of the event.
- When you create a virtual team, you do not have to host your own 5k. You don't even have to run at all. You can simply raise funds for Mooseheart. However, you CAN host your own, related event if you choose.
- You do not have to be tech-savvy to have a virtual team. Moose Charities has designed this to be as easy and fun as possible for you and your friends!

Using Your Virtual Team

- Once you have created a virtual team, you will be given an online Participant Center and Team Page to run your fundraiser.
- Moose Charities has designed emails that will be sent to you with examples of posts that you can make on social media or ideas of emails that you can send to your friends and family to get donations
- Inside of your participant center, there are also pre-designed emails that you can forward to your friends and family with a link to your fundraising page where they can make a donation.
- If you don't use a lot of social media or email and your friends don't either, that's okay!

You can share your page any way you see fit to get donations!

****IF YOU ARE EXCITED ABOUT CREATING A VIRTUAL TEAM, BUT STILL HAVE QUESTIONS, JUST CALL US! WE ARE ALWAYS HAPPY TO HELP!****

## MOOSE CHARITIES UPDATE

Moose Charities is responsible for tracking donations from the Lodges and Chapters in support of Mooseheart and Moosehaven. In addition, they ask individual members to give directly in support of the children and seniors.

There are several ways that individual members are able to help. By making an annual donation of as little as \$10 or more, you can become a **Mooseheart Booster** in support of the children at Mooseheart.

The **Donors Circle** is a recognition program for individual members who give directly to Moose Charities. Donors are recognized with a series of pins and recognition by Association on the Moose Charities website.

In 2015 the **Moosehaven Centennial Project** was introduced to build a new residential home for our senior members. Lodges, Chapters, and Moose Legions are all sending donations to Moose Charities but individuals can also send donations to help with this project.

The **m & m Club** is a recognition program whereby individual members can make a monthly contribution to Moose Charities and can designate where your donation is credited.

The **League of Guardians** is a recognition program for donors and their spouses whose combined giving to Moose Charities totals \$1000 or more during the fiscal year, May 1<sup>st</sup> through April 30<sup>th</sup>. New York State is fortunate to have 20 members in the League of Guardians. Moose Charities recognizes these members with a dinner at the International Convention each year and with a special listing in the Annual Report.

Please remember that 100% of your individual donations go directly to the project of your choice and your donations are tax deductible.

Hopefully all Lodges and Chapters are participating in the **Cradle Fundraiser** for October in honor of our children at Mooseheart. This is an easy, month-long endowment fundraiser and a good way to increase the Lodge and Chapter's annual Endowment donations.

## GOD BLESS MOOSEHEART AND MOOSEHAVEN
