**President's Message**

I would like to thank everyone in advance for the hard work you will be doing in the coming year. With everyone working, we can complete our goals for the coming year.

We have a lot to do. I know it's the same thing year after year and a few new items now and then. Membership is number one, without that we can't support the programs we have along with maintaining our lodges, Moose Heart and Moose Haven. Get going inviting your neighbors, co-workers, relatives or good friends. Just imagine if everyone invited one person, we could double our numbers. Just think how much more we could do with that kind of man power and financial support.

We have some new District Presidents along with the ones that decided to go another year and they all are going to be visiting their District Lodges more often to give all the help they can, so please work with them. If there is a problem, we what to take care of it before it's too late.

Regional managers will be making visits as well and we are all only a phone call away if need be.

We don't want to be the best kept secret in town. Get involved in your community's with community service events. Sponsor local school sporting events, police, firemen, girl and boy scouts. Try a float or signage of some sort in a local parade. Anything you do to get recognition in your community is a win win situation.

Remember we are not running a good old boys club where free meals and drinks are given to a chosen few, we are running a fraternal operation, that has to run as a business in order to survive. That won't happen if you are giving food and drinks away. (con't. on pg. 3)

## Message from the Deputy Grand Regent

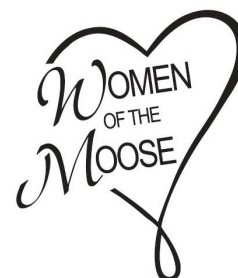

Co-Workers,

We have just returned from our fall convention in Liverpool where we had a wonderful time. Kim Pettit, our official visitor, was a pleasure to have with us, and I want to thank her for making our convention so full of information and fun. I want to congratulate all our Green Cap recipients. I know how much work and effort is involved to achieve that goal. We all missed Jodiann Harri-gan, our PDGR, and wish her a speedy recovery. We all appreciate a great job by Christine Brooks, PDGR, filling in for Jodi. I am so very pleased and honored to have been chosen as your Deputy Grand Regent this year. Many of you may not know me. I am from Long Island, born and raised. I have been a member since 1994, and now hold my membership in the Riverhead chapter. I look forward to a busy and exciting year filled with new adventures. I know we face some challenges for our continued success and our focus needs to be on our membership growth and retention. We are "Moose on a Mission" and I am confident we can succeed. I wish you all the best, and I hope all our chapters receive their award of achievement, and everyone receives their personal honors for the degree they are working toward. Let's make the 2018 - 2019 chapter year full of good times with good friends.....I know I will.

Thank you,

*Alona*

Hello Co-workers,

Fall is in the air as the leaves are changing colors and days are getting shorter, but the beautiful colors of fall are so invigorating and the thought of picking apples and the smell of pumpkin pies brings delight to ones senses.

Hoping that this enthusiasm also carries over in your chapters as there is so much that can be done this time of year to promote membership and work diligently on retention.

Member Retention Week is fast approaching November 4<sup>th</sup> thru the 10<sup>th</sup>. this is a perfect time to work with the men and host a variety of joint functions to invite your new and not so new members to, honor your veterans, honor your past leaders, Governors and Sr. Regents and thank them for all that they have done and continue to do to support the wellbeing of your lodges and chapters.

Host an Open House, be creative and unique and make the most of it and have FUN while working together in harmony makes all things great as we are

## MOOSE CHARITIES UPDATE

Hello Brother and Sisters,

I hope this finds each and everyone one in good health and spirits!!!!

At this time of the year I know we are all busy with our own lives. Some of you maybe getting use to a new school year schedule and going to practice or games weekly. Some of you maybe trying to use the few minutes of day light after work to get the yard work done before the seasons change. Or maybe trying to make sure your home is buckled up for the season by sealing the driveway, cleaning the gutter, or securing the shingle in place. If your not worried about these things maybe your worried about planning family get to gathers to watch football or just to catch up on life. No matter what your worries are we can all agree to adds stress to our day to day living.

These are just some of the worries we as "MOOSE ON A MISSION" try to protect our children at MOOSEHEART and our seniors at MOOSEHAVEN from. Together we can do this by becoming an active member of the MOOSEHEART BOOSTER or by joining the DONOR CIRCLE. It only takes a moment of your time to send a small monetary donation to create a financially stable and worry free environment for our children and seniors.

I would like to thank you all for your donations to help "change heir lives." I am sure this made a difference for our seniors at Moosehaven and our children at Mooseheart.

Let's all work together and show that we are "MOOSE ON A MISSION" today, tomorrow, and in the future.
