The New York State Moose Association***President's
Message**Greetings,*

It seems that every year we lose respected members through their passing. This

year is no different with the loss of many faithful members. One particular loss that struck me hard this year was the recent death of Paul Campbell, NYSMA Vice President. I got to know and respect Paul and his loss is a blow to the state and his lodge. My sincere condolences go out to Paul's family.

The International Convention in Orlando proved to be another huge success with many New York members attending. Sessions and workshops were educational and well-attended, with standing room only at several. A special treat for many members was the road trip to Moosehaven, celebrating 100 years of continual service to our organization. Visitors got a chance for a self-guided tour; had an opportunity to visit the New York Chapel; and to purchase handmade items from the residents at the community. Visitors were also treated to a great barbecue and other refreshments.

It's just a little over a month until we meet at the State Convention in Niagara Falls August 25-28. I encourage everyone to register early. Online registration and hotel registration are

both available on the website and have been sent to each lodge and member on the mailing list. Plan now! Register now!

(Continued from pg 2)

As we did at Binghamton, the Saturday Banquet will be theme-oriented. This banquet will be NFL ... wear your favorite team apparel and we'll make it a fun and spirited party for all!

I know I repeat myself when I remind each lodge that their President and Administrator are required to be present at state conventions, conferences and district meetings, as well as the international convention, but it bears repeating. You took the oath of office and are expected to respect the Moose General Laws. Let's see 100% participation!

We can do better! Let's shoot for plus one in membership and giving! MAKE IT HAPPEN.

Fraternally,

Rick

Rick Clawson,

NYSMA President

Moose Charities Update

Dear Brother and Sister,

As your New York State Moose Associations Moose Charities Chairmen, we would like to say how excited we are to be able to see each of you in Niagara Falls later this month. We feel it is important to come together and keep the beliefs of our Founding Father, James J Davis, close at heart. When we meet for the Conferences and Conventions we not only learn from each other but we each play a role in strengthening our Fraternal Order, One Moose.

We hope your families have enjoyed a fun filled Summer. Maybe you got together with relatives you hadn't seen in a few year at a family reunion, made some new friends or went to some amusement parks together. Unfortunately, Summer is coming to an end and Fall is just around the corner. So the time has come to be thinking about the dreaded back to school shopping and what styles are in now and that does every Teacher want your child to have for their class.

We at Moose Charities would like to remind you that in this ever changing world around us, our Children at Mooseheart and our Seniors at Moosehaven still depend on us. They are so grateful for the many blessings you have provided for them. As each of their stories are different the one thing they all have in common is the Love of their Moose Families and the safety that is provided for them.

Today the word family means something different to everyone. Some families have two parents well some have one. Likewise, families that did have two or more incomes may now have one income. Somehow we always seem to dig deep inside and make things happen. The bills get paid, food is on the tables, we have things that is need and some of our wants.

With that being said, we at Moose Charities would like to challenge our Moose Families to donate to Mooseheart School while shopping for your families needs and wants this back to school season. How you ask? We can all shop on Amazon Smile and chose Mooseheart School as our charity of chose. It is really rather easy to do just shop for your families items on Amazon Smile and they will donate a portion to Mooseheart School. You are not only getting things for your family but also our Mooseheart school and the children that live there. Together we can "MAKE IT HAPPEN"

Fraternally Yours,

Jim & Mindya

Jim Parks

and

Mindya Hungerford

New York State Moose Association Moose Charities Chairmen

Hello Brothers and Sisters!

It is almost time for Convention! Preparations are being made by many to head to Niagara Falls! August is a great time of year to visit our very own Wonder of the World! Summer months are always very busy for all of us, as we try to squeeze in as much as we can before the snow flies, so I hope that you can all make it to Western NY for our Annual Convention.

I'm sure that you have all been getting out in your communities to see what you can do! Warm weather allows us to tackle some of those much-needed projects like highway cleanups, lawn mowing, building repairs and many other things that are difficult to do in the colder months. Many Lodges are holding outdoor events to raise money for their communities. There's Bike Rallies, Meat Raffles, picnics and other fun things going on at our Lodges. If your lodge is planning something, make sure that you share the information, as others would likely be interested in attending and donating.

Our HOC project at Binghamton in April was a great success. With the food and monetary donations combined, the representatives from CHOW reported that our donations yielded 6147 meals for the Broome County area! Thank you to everyone that donated!

At Niagara Falls, our HOC project will be in support of Niagara County Child Protective Services (CPS). They are asking for gift card donations, preferably from TOPS or WALMART in \$10 and \$20 value. These cards will be for emergency purposes and given to social workers that are called in to help families in crisis. The social worker will purchase items to help the family get through the situation. CPS will also be very happy to receive donations of BABY DIAPERS and BABY FORMULA. Due to storage limitations, these are the only supply items they are asking for. Monetary donations will also be accepted, with **checks made payable to NYSMA**, and we'll see that the above items are purchased and donated to CPS.

The next quarterly HOC Report is due by August 15th. Administrators make sure you get it done and in on time to receive the much-deserved credit for all that you do for so many others! Chapters keep submitting your information on your monthly 114 Reports. Hours volunteered and miles driven by members as well as all monies donated should all be reported. We are always looking for stories, pictures or anything you want to share about the services you provide to others in the name of the Moose, so please share your ideas with us. Thank you all for all that you do each and every day towards the kindness to others! Please keep up the good work and **MAKE IT HAPPEN!**

Hope to see you all in Niagara Falls. May you all have a safe and enjoyable summer!

Fraternally,

Phyllis Kelkenberg
HOC Chairman
